

# Tech/Plant Summit 2008

Feb. 26 – Feb. 28, Dallas, TX

## Raise Your Business to the Next Level at the Summit; Early Bird Registration Open

In the past five years, TRSA's Tech/Plant Summit has become a premier industry event, providing a value-packed program combining education and networking opportunities for textile service operators and industry vendors. The 2008 Tech/Plant Summit will again highlight the product and service innovations that are revolutionizing the industry and are helping companies reach greater levels of efficiency and productivity. This year's Summit will be held at the Hilton DFW Lakes, one of the few conference centers in the country attached with a major hotel brand. The DFW Lakes Conference Center continues the tradition of holding the Tech/Plant Summit in a state-of-the-art facility. With amphitheater-style general session and classrooms featuring high-tech AV, the Hilton DFW Lakes provides an exceptional atmosphere for learning. The center also will host the Tech/Plant Summit's Trade Fair in its 14,000 sq. ft. exhibit space. Because the Hilton DFW Lakes is an all-inclusive facility, all Summit events, except plant tours, will be held at this one site. It's convenience to the Dallas-Fort Worth airport, not to mention the hotel's free shuttle service, also will make getting to this year's Summit easier.

**Hotel:** Attendees can reserve their room at the Hilton DFW Lakes beginning Oct. 18 by calling 800/984-1344 (reference TRSA Tech/Plant Summit). TRSA's group rate is \$184 night plus taxes (includes wireless and wired Internet access, ground transfers to and from DFW airport and health club admission).

**SEND TO:** George Ferencz
